

FIRST MK2 DL20

Specifications

Gauge	20 gauge
Chamber	3", magnum
Barrel lenght available	28"
Chokes	Interchangeable chokes
Action	Made in durable steel dedicated to the 28ga.
Action finishing	The surface of the receiver is hand-polished by the craftsman; it is then engraved with a decorative motif and wildlife subjects. The engraving is enhanced with gold detailing and black ink along the receiver's profile. It is then nickel-plated in order to give brilliance to the rifle, and, as a final touch, the gauge and Marocchi logo are engraved on the receiver plate.
Trigger	Single trigger
Extractor	Automatic ejectors
Stock and fore-end	Premium walnut wood set, oil finishing
Weight	2,90kg with 28" barrel
Standard equipment	In carton box complete with 5 chokes (70mm), choke-key and sling swivels
Available options	Barrel length 76cm or 81cm
