

FIRST MK2

Specifications

Gauge	12 gauge
Chamber	3", magnum
Barrel lenght available	26", 28"
Chokes	Interchangeable chokes
Action	Made in durable steel dedicated to the 28ga.
Action finishing	The surface of the receiver is hand-polished by the craftsman; it is then engraved with a decorative pattern and wildlife subjects. The receiver is then nickel-plated in order to give the rifle a shine, and, as a final touch, gauge and Marocchi logo are engraved on receiver plate.
Trigger	Single trigger
Extractor	Available in two versions: with manual extrator or with automatic ejectors
Stock and fore-end	Walnut wood, oil finishing
Weight	3,20kg with 28" barrel
Standard equipment	In carton box complete with 5 chokes (70mm), choke-key and sling swivels
Available options	30" and 32" barrel, premium wood set
