

NEXUS ONE 20

Specifications

Gauge	20 gauge
Chamber	3,5" magnum
Barrel lenght available	26", 28" Available Slug barrel 24"
Receiver	High resistance alluminium alloy 7075T6
Receiver finishing	The receiver is polished by the expert hands of a craftsman, then it is engraved on both sides with a delicate motif inspired by nature. The engraving on the front of the receiver is enriched by flying quails, the Marocchi logo and the name of the shotgun. The receiver is then subjected to a double nickel plating treatment (Nickel Extreme) to increase its resistance and give the shotgun brilliance.
Stock and fore-end	Standard walnut with natural oil finish. The checkering is made of stippling theme for an optimal grip; the fore-end is further enhanced by the engraving of the Marocchi logo
Weight	2,9 Kg with 28" barrel fitted
Magazine	4+1
Packing	Delivered in proper box with 5 chokes of 7cm, choke key and complete kit of plates for comb adjusting
